NUMBER 1

GOVERNOR DUMMER ACADEMY - SOUTH BYFIELD - MASSACHUSETTS

Our cover picture this issue shows Captain Tom Elder of the Governors and Co-Captain Malcolm Black of Phillips Academy, Andover, watching the official's coin before the opening soccer game on Whipple Field.

ACADEMY OPENS WITH CAPACITY ENROLLMENT

Twenty-one states, the District of Columbia, and four foreign countries are represented at Governor Dummer for the 1955-56 school year. There are one hundred and eighty-eight boarders and twenty-four day students, making a total of two hundred and twelve boys. Every available room is filled, and, in addition, two boys have had to be assigned temporary rooms in the Duncan Infirmary.

Students outside of Massachusetts come from the following states: Connecticut 8, Iowa 1, Illinois 5, Louisiana 1, Maine 12, Michigan 2, Nebraska 2, New Hampshire 5, New Jersey 7, New Mexico 1, New York 26, Ohio 3, Oregon 1, Pennsylvania 4, Rhode Island 3, Texas 2, Vermont 1, Virginia 1, Washington 1, and West Virginia 1. There is, in addition, one boy from the District of Columbia.

Foreign students come from the British Crown Colony (Hong Kong), England, and Canada. In addition, Brazil is represented by an American boy whose parents are now resident in that country.

NEW POWDER ROOM BUILT IN PHILLIPS BUILDING

During September and October the former powder room in the Phillips Building has been converted into an office for the new Director of Admissions and a new powder room has been built in the space between the dining room and the main part of the Phillips Building.

Because of its convenient location across the hall from the main school office, it was felt that the former powder room would be particularly suitable for an admissions office.

The construction of the new room and remodelling of the old one, including a large new bay window, has been carried out by the regular school staff under the general direction of Mr. Dunning without the employment of a general contractor.

CLASS OF '55 AGAIN FAVORS THE IVY LEAGUE COLLEGES

While the fifty-nine seniors who marched around the Milestone last June are now scattered to twenty-nine colleges, the majority of them have chosen New England and Ivy League colleges. Harvard was the choice of ten, Amherst of five, Dartmouth and Brown of four, and Princeton and Colby of three each. Dick Butler, last year's English Exchange student, has returned to England and is attending Glasgow University.

Harvard, Amherst, and Dartmouth

Favored in Nine-Year Totals

Since the scholastic standing of a school is shown not only by the proportion of graduates who gain admission to colleges but also by the type of college chosen, Governor Dummer is justly proud of the following list, which includes all colleges to which ten or more graduates have gained admission in the nine post-war years.

Harvard	77
Amherst	39
Dartmouth	37
Brown	36
Colby	30
Princeton	23
University of New Hampshire	21
Bowdoin	17
University of Virginia	17
Middlebury	15

MR. WITHERSPOON NAMED DIRECTOR OF ADMISSIONS; NEW ADMISSION OFFICE BUILT

In recent years there has been a sharp increase in the number of candidates for admission to Governor Dummer. This in turn has resulted in a large increase in the number of families who have visited the school, as well as in the number of candidate interviews and entrance examinations, and in the amount of correspondence. Mr. Stone, who had been serving both as Director of Admissions and Director of Studies, found the volume of work in his office too large for one man to handle.

Accordingly, Mr. John J. Witherspoon has been appointed Director of Admissions, thus enabling Mr. Stone to give full time to his duties as Director of Studies. Mr. Witherspoon will occupy a new office, which is under construction across the hall from the main office in the Phillips Building.

Mr. Witherspoon has been teaching history and English at Governor Dummer for the past nine years and has coached several varsity sports. In order that he may devote more time to his new duties, Mr. Witherspoon will not teach this year, but he will continue as Alumni Records officer and as varsity basketball and lacrosse coach. He is also serving as Secretary of the Campaign Executive Committee for the proposed new Library and Science Building.

CHEERLEADERS TROT OUT NEW DRUM FOR GROTON GAME

On Saturday, October 8, the cheerleaders unveiled to the school a new mascot, a base drum equipped with a red carriage with a white "G" on each end. The cheerleaders this year are Jim Dean, Chuck Duncan, Jim Healy, Buddy Hadley, John Henry, Dick King, Peter MacGonagle, and Pete Renkert.

AROUND THE CAMPUS

DEVELOPMENTAL READING COURSE OFFERED JUNIORS

The Harvard Reading Films will be used in a new course in Developmental Reading at Governor Dummer this year, according to the announcement made soon after the opening of school this fall by Mr. Thomas McC. Mercer, head of the English Department.

Developmental Reading, Mr. Mercer explained, provides training in faster reading with better comprehension. It is a surprising fact, reading experts say, that in most cases comprehension is improved when speed is increased. Many students who are reading at the rate of 175 words per minute could increase their speed to 350 words or more, at the same time bettering their comprehension. Mr. Mercer pointed out how valuable such improvement would be to boys in preparing their assignments in school and in college.

The Academy is offering the new course this year to all members of the junior class on a voluntary basis and without extra charge. The course will consist of about fifteen one-hour sessions held once each week. Fifty-four juniors have registered for the course, and enough class sections will be organized during the year to accommodate them all. The instruction will be provided by Mr. Mercer and Mr. A. Macdonald Murphy of the English Department.

SCHOLARSHIP AWARDS GIVEN BY GOVERNOR DUMMER ALLIES

At the annual meeting of the Governor Dummer Allies on August 25 in the Cobb Room it was voted to award three \$50 scholarships to the following Newbury boys: Richard A. Ananian, Keith M. MacNutt, and Peter B. Metcalf. The awards will assist these boys in attending the Academy as day students during the present school year.

On Wednesday evening, October 19, the Allies held a successful dessert bridge party in the Cobb Room, the proceeds of which will go towards next year's scholarships.

ALUMNI REPRESENTATIVES SIT WITH BOARD OF TRUSTEES

Rodman Gearhart '29 and James B. Gardiner '23 have been appointed to succeed Thomas Walker '29 and Paul S. Morgan '41 as alumni representatives to sit with the Board of Trustees for one year. They attended the regular quarterly meeting of the Board held in Boston on September 9.

Mr. Gearhart, who is President of the Alumni Association, is manager of John Glennie Inc. in Andover, and lives at Rye Beach, New Hampshire. Mr. Gardiner, who lives at Wilton, Connecticut, is assistant actuary at the Metropolitan Life Insurance Company in New York City.

THREE NEW MASTERS JOIN GOVERNOR DUMMER FACULTY

Mr. Eames has announced the appointment of three new men to the faculty for the fall term.

Mr. E. Webster Dann, who was graduated from Governor Dummer in 1948 and from Lehigh University (engineering course) in 1952, teaches Mathematics and Mechanical Drawing. He coaches Pony soccer and is in charge of Ingham 2.

Mr. John D. Marr attended Boston Latin School and was graduated from Williams College in 1954. During the past year he has been studying for his master's degree at the Harvard Graduate School of Education. At Governor Dummer he is teaching English and French and is coach of Pony football. He is in charge of Peirce 3. Mr. Marr's younger brother, Dick, was graduated from Governor Dummer in 1953.

Mr. George C. Watson, Jr. was graduated from Amherst College in 1954 and has been studying for his master's degree at the Harvard Graduate School of Education during the past school year. He is teaching English and Social Studies, is assistant coach of C-Squad football, and is a corridor master on Ingham 2.

GLEE CLUB SCHEDULE IS
ANNOUNCED BY MR. SAGER

The Glee Club is probably one of the most important and active groups in school. This year about one hundred and ten boys tried out, and of these, seventy boys will be chosen, including all the returning members of last year's club.

Under the able direction of Mr. Sager, with Mr. Kerr as accompanist, the Glee Club already has begun rehearsing. All signs point toward another outstanding Glee Club. Scheduled for this year are joint concerts with the Winsor, Walnut Hill, Dana Hall, and Beaver Country Day Schools.

As in the past, the highlight of the Glee Club calendar will be participation in the annual New England Preparatory School Music Festival, which will take place on Sunday afternoon, April 14, at Symphony Hall. *The Lord Nelson Mass* by Haydn is the feature selection of the concert, which will be conducted by Mr. G. Wallace Woodworth, director of the Harvard Glee Club. The concert will also feature the widely-acclaimed Boston Symphony Orchestra.

VALUABLE ITEMS ADDED TO
MEMORABILIA COLLECTION

The Academy has recently received two valuable gifts for the Memorabilia Collection. This past summer, Mr. and Mrs. Fred Pond of Marblehead, descendants of Jeremiah Colman, a trustee and auditor of the Academy from 1829-1866, made a present of a large folder of old Academy accounts, farm data and documents (1807-1875) and a Treasurer's Book (1831-1875). These papers contain a wealth of detail concerning the physical side of the school.

In October, Mr. Elmer D. Keith of North Haven, Connecticut, gave the Academy a very fine Writing Exercise made by William Lambert of Rowley while he was a student here in 1793 and 1794. Written on a folio-size sheet of paper, with a series of small engravings around the edge, illustrating *Pilgrim's Progress*, this Writing Exercise is a poem entitled "Saints' Pilgrimage". Besides being a fine 18th century item, this work of William Lambert is the earliest example of school work which is in the Memorabilia.

MR. AND MRS. EAMES ENTERTAIN
AT ANNUAL SENIOR PARTY

On the evening of October 3 Mr. and Mrs. Eames were host to the senior class in the Cobb Room. Refreshments were served; songs around the piano were accompanied by Mr. Stone; and many a college Alma Mater was aired by the combined voices of the group.

The Headmaster closed the Senior Party by impressing the seniors with their responsibility and by expressing his hope for a successful year for the Class of 1956.

SCHOOL CALENDAR 1955-56

Winter Week-End: Friday morning, February 17, at 8:35 a. m. to Monday evening, February 20, at 9:00 p. m.

Spring Vacation: Saturday morning, March 17, at 8:35 a. m. to Wednesday evening, April 4, at 9:00 p. m. Seniors will take College Board examinations on March 17, and so will leave for the Spring Vacation on the afternoon of that day.

Commencement Exercises: Friday morning, June 1, through Saturday morning, June 2.

MR. EAMES' OLD BOYS
BEGIN TO SEND THEIR SONS

Lonnie Churchill and Charlie Langmaid are the first sons of former students of Mr. Eames and the Old Guard to return to the Academy as boarding students. These two boys are freshmen and are rooming together in Moody House.

The two fathers, Lawrence W. Churchill, Jr. of Delmar, New York, and Joseph Langmaid of Swampscott, both graduated here in June, 1931, so that they were both new boys and seniors during Mr. Eames' first year at

HEAD COACH WITHINGTON AND ASSISTANT COACH SPERRY

For the 1955 season, while Mr. Sager is helping with the Building Campaign, Mr. Frederic B. Withington is acting as head coach of football and is assisted by Mr. William H. Sperry, at his right, and Mr. G. Heberton Evans.

Governor Dummer. One of their classmates that year was Howard J. (Buster) Navins and among their teachers were those venerable pedagogues, Messrs. Dunning, Mercer, Murphy, and Sager. These masters, along with the headmaster, were all first-year men, too!

Larry Churchill '31 was football captain and Editor-in-chief of *The Archon*, while Joe Langmaid '31 was hockey captain and president of the Student Council.

HERBERT HODOS IS ELECTED HEAD OF SENIOR COUNCIL

Every year, in the spring term, the junior class elects twelve boys to serve as the Senior Council the following fall. Council members act as headwaiters; they take attendance at meals, Saturday night movies, and Sunday night vespers. Boys on the Council also assist

in proctoring freshman or sophomore dormitories and the Noyes Library. The members also confer with Mr. Eames on various issues, and the Council as a whole plays a big part in maintaining school spirit and morale.

The following boys are members of this year's Senior Council: Richard S. Bartlett, Clark G. Duncan, Donald Dunsford, Jr., Thomas P. Elder, Irving L. Hadley, John A. Henry, Herbert H. Hodos, Joseph E. MacLeod, Reynolds E. Moulton, Jr., Joel G. Nichols, and Vincent C. Sgarzi.

Early in the fall the members of the Council held an election among themselves and as a result Herbert H. Hodos was elected president of the group.

MORE BRIEFLY

On October 1 a son, Stuart Hamilton Kerr, was born to Mr. and Mrs. Albert L. Kerr, Jr. of the faculty.

HEADMASTER'S CALENDAR

June 16: Gave graduation address at Beverly High School.

August 29: Guest speaker at Rotary Club, Manchester, New Hampshire.

September 24: Attended meetings of class representatives at Amherst College to consider the college endowment.

October 21: Will attend meeting of Essex County Y.M.C.A. Committee.

DAVE BELL '50 LOST IN CRASH OF NAVY BOMBER

The school was saddened to hear that David W. Bell '50, a Lieutenant in the United States Marine Corps, crashed at sea off central Japan about June 26 while flying an F-30D Sky-Knight fighter-bomber. He and his companion were the object of intensive search by Navy and Marine planes for eight days, when the search was abandoned and they were presumed dead.

L. R. KIRK, FORMER TEACHER,

DIES OF HEART ATTACK

On September 20 Mr. Leander R. Kirk died of a heart attack at his home in Plainfield, New Jersey. Alumni of the 1930's will remember Andy Kirk as their instructor in physics and chemistry, wrestling coach, corridor master of Ambrose, and promoter of innumerable exciting and interesting projects, such as his beloved "Science Show".

Mr. Kirk was a member of the Governor Dummer faculty from September 1931 to June 1941. Since leaving Governor Dummer he had been a teacher at St. Mark's, at Mount Hermon, and at the Pingry School of Elizabeth, New Jersey.

MORE BRIEFLY

C. Fredric Young has been awarded a scholarship from the Wheelwright Fund and from the Putnam Free School Fund. Fred, who received a Special Prize at Commencement in June, is enrolled in Tufts Engineering College.

THE STOCK ROOM

One of the more important, but virtually unknown activities about our campus is the Athletic Stock Room. Each term a group of three boys takes on this responsibility under Mr. Williams. This term the boys are Richard King, Tim MacVean, and Peter Renkert, and their job is to take care of all the athletic equipment used during the fall term. They are in charge of cleaning and repairing the uniforms, helmets, and balls for the football and soccer teams.

Another of their more important jobs is the care and assignment of all the lockers in the gym. On game days they must make sure all the necessary equipment is ready for the managers to take to the field. They must also help the players with their personal equipment such as shoes, cleats, tape, and bandages. Three times a week they make sure each boy has a clean towel. Every day they help boys who have bad or torn equipment by giving them new uniforms and sending the old out to be reconditioned. They number every piece of school equipment, and at the end of the term they will run an inventory to make sure nothing is lost or misplaced. These boys work hard behind the scenes to provide efficient help for both coaches and players.

VESPER SPEAKERS

CINEMASCOPE COMES

TO GOVERNOR DUMMER

During the past summer the movie screen in Lang Gym has been torn out and replaced with a larger screen suitable for cinemascope.

A few standard movies already booked were shown on the first few Saturday evenings of the fall term. *A Man Called Peter* will be the first cinemascope to be shown on the new screen. It will be followed by *Bad Day at Black Rock*, *Drum Beat*, *The Long Gray Line*, and *The Student Prince*.

Our New Cover

With this issue *The Archon* introduces a new cover designed for us by Mr. Charles V. Goodhue, Art Director of the *New Hampshire Profiles*. The new design aims at a more effective use of color and a greater freedom of choice of size and shape of the cover photograph than was possible with the older design.

ON THE ATHLETIC FIELDS

VARSITY ELEVEN BOWS TO GROTON IN BYFIELD BOWL

The Governors opened their football season on October 8 in the Byfield Bowl with a rather slow game against Groton. Frequent fumbles marred the play of both teams and interrupted several promising drives.

The Governors' greatest opportunity came in the third quarter, when a Groton fumble gave the home team the ball well inside the twenty. A few plays later, however, the Governors fumbled themselves and never again were a serious threat.

Groton started its drive late in the last period. A succession of first downs brought them from their own 30-yard line to a first down at the Governors' ten. Hugh Scott went over from the six-yard marker on fourth down. The conversion failed, and the final score was Groton 6, Governors 0.

Vinc Sgarzi did some good passing and running for the Governors; Berry Barnes made a very strategic interception and caught a number of Sgarzi's passes; and Art Balser accounted for some good gains.

PONIES LOSE TO BROOKS IN SEASON'S OPENER

The Pony football team, smallest of the school's four football teams, opened its season on October 5 at home against the Brooks J.V. team. The Brooks team took an early lead in the first quarter with two quick touchdowns and the extra points.

In spite of Brooks' early lead, the Governors fought back strongly, but to no avail. The visitors scored three more touchdowns and an extra point in the last three quarters, winning the game 33-0.

At a meeting of the Pony squad, Eddie Johnsen and Lonnie Churchill were elected co-captains. Both co-captains played an outstanding game and gave the team fine leadership throughout.

SOCCER TEAM DROPS OPENER TO ANDOVER

On October 5 the Governor Dummer soccer team opened its 1955 season against Phillips Academy of Andover. The Governors have opened their season against Andover for several years, and the game has always proved to be a close, hard-fought contest.

This year was no exception. The team lacked experience and included only six returning lettermen; but they held a strong, aggressive Andover line to two goals. The Governors' own line played hard and showed promise but failed to score. Andover's excellent defense was bolstered by the Andover co-captains, playing at right and left fullbacks.

The Governors' defense, sparked by George Starbuck in the goal, proved to be outstanding on the Governor Dummer team. George was under constant pressure but turned in an excellent performance, holding Andover to two tallies. The spirit and aggressiveness of the Governors' line, led by Captain Tom Elder, was notable.

J.V. SOCCER FALLS TO ROXBURY LATIN, ANDOVER

The J.V. soccer team, opening its eight-game slate on October 1, fell before a strong eleven from Roxbury Latin, 2-0, on Whipple Field. Both teams started slow, but Roxbury showed offensive power by scoring goals in both the second and third quarters.

The J.V.'s played their second game on October 7 against Andover, again on Whipple Field. The game was evenly played throughout the first two periods, and the score at the half was 0-0. Midway through the third quarter, however, Andover put on a fine display of offensive power and broke the tie. The Governors came back in the fourth quarter, when tricky dribbling and accurate passing led to a goal by Jack Williams. Time ran out, and the coaches agreed to play a five-minute overtime. The first overtime ended scorelessly, but during the second overtime, Andover scored what proved to be the winning goal.

LIGHTNING FOOTBALL TEAM DROPS OPENER AT HAVERHILL

The Lightning football team played its first game against a strong Haverhill team on October 11 at the picturesque Haverhill Stadium. During the first quarter, the Lightnings gained tremendous ground in Haverhill's territory. Before four plays had been completed, Brian Sullivan recovered the ball after a Haverhill fumble; and in three more plays Dick Field ripped across the goal line for the first touchdown of the game. A quick pass for the extra point was blocked beautifully by an opposing backer-up.

No more touchdowns were scored until the second half, when Haverhill scored twice on well-faked end runs and excellent passing. Haverhill played exceedingly well on offense with good faking and blocking. The Lightnings in the over-all picture played an excellent game. Their main weaknesses were on pass defenses, end runs and on offensive blocking. The final score of the game was Haverhill Freshmen 13 and Governor Dummer Lightnings 6.

C-SQUAD DEFENSE IS INADEQUATE IN OPENER

The C-Squad opened the season on October 11 by facing a strong Haverhill team on the Byfield Bowl and were defeated 36-0. Although the offense of the Governors looked impressive with commendable performances turned in by backs Joe Berry and Ronald Shenker, the defense was definitely weak.

The Haverhill team based their attack upon passing and end runs, which supplied them with three tallies in the first half and three in the second. Stalwart linemen Hunt Blatchford, John Richards, and Fred Estey did praiseworthy jobs in their positions.

J.V. SOCCER

(Continued from page 11)

The whole team played well against Andover, but Hardy Bedford, the right inside, and Peter MacConagle, the left fullback, stood out. The outstanding play and leadership of newly-elected captain Otto Robinson kept up the morale of the team.

GOVERNORS OUTSCORE

MOSES BROWN TEAM. 13-0

The Governors' football team broke into the winning column on October 15 with a resounding 13-0 victory over Moses Brown at Providence, R. I.

A quick kick by the Governors on the second play of the game caught Moses Brown unawares and forced them into a defensive position from which they seldom emerged. Art Balser set up the Governors' first score in the opening quarter with a 30-yard scamper around left end. Wink Pescosolido carried over from the two-yard stripe.

In the fourth period Moses Brown made a number of first downs but lacked the punch to carry their drives very far into the Governors' territory. Late in the period Balser took a pitch-out from Buddy Hadley at midfield and went all the way to score the Governors' second touchdown. Bill Hallenback place-kicked for the conversion.

Mike Tyler, Dick Bartlett, and Steve Bartow stood out defensively for the Governors.

SOCCER TEAM BEATEN

AT BROWNE AND NICHOLS

After a week of hard practice, the Governors engaged the Browne and Nichols soccer team at Cambridge on October 8. The opposing team scored in all but the first period while the Governors were limited to a lone tally by Captain Tom Elder in the final stanza.

Coaches Navins and Houston had stressed a strong offense in the week preceding this game and had tried several combinations. Although the desired scoring punch was still missing in the game, a smooth, half-back line led by Ray Moulton gave the forwards great support.

PONY SOCCER TEAM

SCORES FIRST VICTORY

The Pony soccer team opened their season on October 14 in very commendable fashion by shutting out a Belmont Hill team 1-0 for the Governors' first victory in the current athletic season. The Ponies controlled the play throughout.

Shoes for every purpose

for every member of the family

Craft traditions reaching back almost to the Pilgrims are part of the reason for TOWLE progress, but probably the chief reason is a certain soundness of design — patterns that wear well — that wear so well, in fact, that they become at once a proud possession and a beloved part of family life.

FOWLE'S

IN THE HEART OF NEWBURYPORT!
